## The Officer's Daily Log

### Meet Maître d'Hotel Neville Saldanha

Neville Saldanha was born in Bombay, India, known today as Mumbai. His passions for world history and experiencing new cultures led him to pursue a career first in the airline industry, then aboard cruise ships, where he's found his home away from home with Princess.

As fate would have it, our proud Maître d'Hotel met his wife Elzbieta at sea. The couple now live with their children in Gdansk, Poland, where Neville can often be found gardening or working through his wife's "Honey do list" at her direction.

Although visits to our exciting ports of call offer the chance to sample new and interesting local cuisine, we're always ready on board to provide you with plenty of fresh and flavorful options throughout the day.

For an early start, consider using your breakfast card for in-room service. For a quick snack on sea days look for our soft, fresh-baked cookies and ice-cold milk on deck. Later in the day, you can always recharge with Neapolitan-style pizza at our Pizzeria or burgers and fries at our Grill.

Enjoy your day in Skagway, where you can ride the historic White Pass & Yukon Railroad or enjoy outdoor activities such as; kayaking on Chilkoot Lake, rock-climbing the granite walls of the White Pass or biking through the Alaskan rainforest. And when you're ready to dive into our onboard activities, you'll find a variety of enriching and entertaining options to suit your every mood.

I'd also like to leave you with one more suggestion to enrich your experience during this cruise. Whether you're celebrating a birthday, anniversary or just a change of scenery, our Ultimate Balcony Dining provides a memorable breakfast or a four-course dinner with dedicated wait staff in your stateroom. In addition, I highly recommend Sabatini's<sup>SM</sup>, which offers Italian fine dining or our New Orleans-style restaurant, the Bayou Café & Steakhouse. All three options are available for an additional charge. Please dial 3463 for a reservation.

### From the Navigator

Overnight, Island Princess navigated through the Upper Lynn Canal and Taiya Inlet into Skagway. On sailing south from Skagway, Island Princess will retrace her steps, passing by Haines (waypoint 11; page 201) around 40 minutes after sailaway. This viewpoint is considered to be one of the best in Southeast Alaska.

### Ship's Security Notice

In order to prevent unauthorized persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a Government-issued picture ID with you before leaving the ship as you will be required to show this at security checkpoints upon your return. Do not accept or bring onboard any parcels or packages from strangers. Before boarding, you may also be asked by our Security Staff to open parcels or handbags which you are carrying.

8:00pm – All aboard. Island Princess will set sail shortly thereafter.

## U.S. Department of Agriculture Restrictions

No fruit, foodstuffs or plants may be taken ashore. On the spot fines may be enforced. U.S.D.A. regulations do not permit us to take onboard, nor to allow us to prepare, fish from any independent tour operator.

## Satellite TV & Internet Reception

Due to the geographic position of Island Princess, there may be occasions when we are not in the reception region of satellite coverage or the quality is poor. This is caused by limited transmission into the vast areas of the Alaskan mountain ranges. We will do our best to maintain the highest broadcast and internet quality possible. Thank you for your understanding.

## Alaskan Movies Under The Stars Restrictions

When in port in Skagway, Juneau, Ketchikan and it is mandatory to have the sound turned off completely on our vessels' Movies Under the Stars screens. Since we are permitted to show video in these ports, we will play "quiet" videos such as silent movies, screen savers or scenic beauty shots. This silent operation also applies to approach to and departure from ports. Once in clear waters, the normal operation of Movies Under the Stars may commence.
